## Useful information

Category : Recommended sites

Type of use : Maison de réserve

# Description

At the Maison des Dranse, an exhibition provides understanding of the origin of the delta.

You can ask the facilitator about the actions led by the Conservatoire d'espaces naturels de Haute-Savoie in order to preserve the fauna and flora of this jewel of biodiversity. Temporary exhibitions of local artists are proposed on a regular basis.

# Geographical location

# All useful information

## Practical info
